# Πανελλήνιο Σεμινάριο Ρινολογίας

5 - 7 **Φεβρουαρίου** 2010

**Ξενοδοχείο Ναϊάδες**

**Νεοχώρι**

**Λίμνη Πλαστήρα**

**Διοργάνωση:**

**Ελληνική Ρινολογική Εταιρεία**

**Με τη συνεργασία:**

**Ελληνικής Εταιρείας**

**Πλαστικής Χειρουργικής Προσώπου**

**Υπό την αιγίδα:**

**Πανελληνίας Εταιρείας Ωτορινολαρυγγολογίας**

**Χειρουργικής Κεφαλής & Τραχήλου**

**Τελικό Πρόγραμμα**

## Friday 5 February 2010

- 16:00 - 17:30    **ROUND TABLE 1**  
**ACUTE AND CHRONIC RHINOSINUSITIS**  
Chairmen: A. Tzagaroulakis - Th. Sfikas  
Moderator: D. Asimakopoulos  
Nasal Physiology. Up-to date data - I. Konstadinidis  
Problems in diagnosis and differential diagnosis of Rhinosinusitis  
T. Kirodimos  
Fungal Rhinosinusitis. Treatment dilemmas  
S. Naxakis  
The role of endoscopic surgery in the management of Acute and Chronic Rhinosinusitis  
P. Panagiotounakos  
Up-to-date management of ondogenic Rhinosinusitis - D. Kirmizakis  
Herbal extract in the management of Acute Rhinosinusitis  
O. Kesidou - A Papavasiliou
- 17:30 - 18:00    **COFFEE BREAK**
- 18:00 - 19:30    **ROUND TABLE 2**  
**ALLERGIC AND NON - ALLERGIC RHINITIS**  
Chairmen: S. Papaspyrou - D. Konstantopoulos  
Moderator: P. Goumas  
Allergic Rhinitis. Diagnosis and treatment - A. Pagkalos  
Non - Allergic Rhinitis. Diagnosis and management - E. Proimos  
Paediatric Allergic Rhinitis. Diagnosis and management - S. Stamataki  
Paediatric Acute Rhinitis and Rhinosinusistis - E. Karamantzanis  
Surgical management of Allergic and Non - Allergic Rhinitis  
K. Apostolopoulos  
Empty nose syndrome - D. Batzakakis
- 19:30 - 20:30    **OPENING CEREMONY**  
**WELCOME CEREMONY**

# scientific program

Saturday 6 February 2010

08:45 - 10:00 **ROUND TABLE 3**

**NASAL POLYPS UP - TO - DATE DATA**

Chairmen: D. Kandiloros - D. Davilis

Moderator: E. Ferekidis

Aetiology, Effects and Diagnosis of Nasal Polyps - T. Stathas

Nasal Polyps, the road to surgery and operating principles

S. Kazanas

Nasal manifestations of Systemic diseases - V. Papanikolaou

Foreseeing and dealing with potential complications of endoscopic surgery.

E. Moschovakis

10:00 - 11:30 **LECTURES**

Chairmen: I. Petmezakis - S. Metaxas

Guidelines for the management of Rhinosinusitis (EPOS guidelines)

A. Nikolaou

Management of Epistaxis - G. Adamopoulos

New techniques in bone conducting hearing aids. Partially implantable system without open abutments - R. Siegert

Endoscopic approach to frontal sinus - V. Bonkowsky

11:30 - 12:00 **COFFEE BREAK**

12:00 - 13:30 **ROUND TABLE 4**

**FUNCTIONAL SEPTORHINOPLASTY**

Chairmen: G. Papazoglou - M. Androulakis

Moderator: V. Vital

Nasal Septum straightening techniques - A. Kamperos

Is there a place for the Goldman Technique in today's functional Rhinoplasty

A. Asimakopoulou

Malformations of the nares in cleft-children. Management dilemmas

E. Koudoumnakis

Revision rhinoplasty - H. Foda

**13:30 - 15:00**    **ROUND TABLE 5**

**NEOPLASIA OF THE NOSE AND PARANASAL SINUSES**

Chairmen: L. Manolopoulos - T. Kaffes

Moderator: G. Velegrakis

Endoscopic management of Rhinofibroma - S. Davris

Management of paediatric Tumours of the Nose and Paranasal Sinuses  
I. Konstadinidis

Malignant tumours of the Nose and Paranasal Sinuses - E. Karapantzis

The role of medial superior maxilectomy in the management  
of maxillary sinus tumours - T. Terzis

Endoscopic approach of the Hypophysis - P. Maragoudakis

**15:00 - 16:00**    **COFFEE BREAK**

**16:00 - 18:00**    **ROUND TABLE 6**

**FUNCTIONAL AESTHETIC RHINOPLASTY - PLASTIC CORRECTION OF CONGENITAL  
MALFORMATIONS OF THE AURICULAR PINNAE**

Chairmen: I. Xenelis - D. Pantazis

Moderator: I. Bizakis

Nasal tip surgery - H. Foda

Wide nasal tip - Surgical management - E. Christopoulos

The challenge of reconstructive Rhinoplasty - A. Skouras

Saddle - Nose deformity. Types and surgical management - B. Pavlidelis

The use of grafts in Rhinoplasty - P. Kollias

Reconstruction of severe auricular malformation and defects - R. Siegert

**18:00 - 18:30**    **COFFEE BREAK**

**18:30 - 20:00**    **ROUND TABLE 7**

**INTERESTING AND UNUSUAL CASES IN RHINOLOGY-NASAL SURGERY**

Chairmen: Z. Pappas - X. Ligatsikas

Coordinator: A. Sismanis

Endoscopic management of orbital subperiosteal abscess  
S. Davris

Aggressive inflammatory process of the maxillary antrum, buccal region  
and orbit. Diagnosis and management - I. Yiotakis

Ventricular enlargement and hydrocephalus following endoscopic manage-  
ment of CSF leak - S. Kazanas

# scientific program

Possible frontal mucocele . Surgical planning and management - T. Terzis  
Sphenoid sinus Encephalocele - I. Konstadinidis  
Plastic reconstruction of overtly enlarged auricular pinnae - B. Pavlidelis  
Endoscopic Hypohysectomy - S. Papaspyrou

21.00

DINNER

## Sunday 7 February 2010

09:00 - 13:00 Management of Nasal Turbinate Hypertrophy Seminar.  
Hands-on practice on sheep's turbinates

09:00 - 10:00 Teaching Session

### SESSION 8

NASAL TURBINATE HYPERTROPHY - CAUSES AND MANAGEMENT

Chairmen: D. Valagiannis - P. Karagounis

Moderator: V. Danilidis

Nasal Turbinate Physiology and appropriate management selection

A. Chrysovergis

Nasal Turbinoplasty. Advantages and disadvantages - I. Chrysaitis

Management of Inferior Nasal Turbinate Hypertrophy with lasers or shaver

A. Hantzakos

The use Radiofrequencies in the management of Nasal Turbinate Hypertrophy

I. Kastanioudakis

10:00-13:00

### PRACTICAL APPLICATION

Coordinator: V. Danilidis

Instructors: G. Voilas, E. Zacharioudaki, I. Kastanoudakis, P. Kollias,

D. Kirmizakis, I. Konstantinidis, P. Maragoudakis, I. Mpizakis, S. Naxakis,

P. Panagiotounakos, K.I. Papakostas, V. Pavlidelis, I. Seggas, X. Skoulakis,

T. Terzis
